AMENDMENT

Commissioner for Patents:

In response to the Office Action dated December 19, 2002, please amend the application as follows:

In the Claims:

For the convenience of the Examiner, all pending claims have been included.

Please cancel claims 10 and 11, and amend claims 1 and 4 as follows:

1. (Amended) An electronic device, comprising:
- a body of semiconductor material having a first and a second face;
 - an electrical connection region formed on a periphery of said first face;
 - a covering structure, covering said first face;
